December marks the season of giving and reflecting on the amazing love of God. Thanking God in words is good. However, our gratitude can be better expressed by our actions. We are grateful for the generous way you have given to those who are involved with our ministries. Hungry people have been fed, elderly care for, medical needs have been paid for, children and college kids are safe and anticipate a brighter future, widows have received vocational training, protection from trafficking and given hope. Also, land was purchased and buildings will be built. Everything we do is bathed in prayer before plans are made. Your partnership will also allow even deeper spiritual growth for the college students who have grown up in our children's homes. They are so excited about the new location of the hostel. We are encouraged to see their faces and hear their dreams of how they will impact the world for Jesus. All of this is possible because of your partnership. Thank you for praying, encouraging and for giving. We deeply appreciate it all!

Have a Merry Christmas and a blessed 2022.

Gratefully, *Bobbie and Bob Clinton*
