Dear Friends,

Thank you for your recent gift. Kids Alive International is a global ministry that spans over 100 years. Although we are in a new year, our goals are still the same. We want to ensure that every child we serve will have a present and future where they enjoy a vibrant, life-changing relationship with God, experience emotional and physical well-being, are equipped for a life of independence and service to others and live life in family and community, free of fear and violence.

When our founders, Leslie and Ava Anglin, began this work nearly a century ago, they declared, "God will see us safely to our destination." They didn't envision that destination by a single finish line but in the success of each child – a multi-generational work requiring multi-generational partners like you.

We are grateful to God that you are standing with us through your support and prayers to help us reach that destination for the children and enable them to head out into the world fully equipped to meet its challenges.

With gratefulness,
