Dear Friends at Global Youth Philanthr,

Saturday, April 25, will be a day never forgotten by the Nepali people. On that day the earth began to rock and roll, bringing about the destruction of much of the capitol city, Kathmandu, and entirely wiping out many surrounding villages. The loss of lives, homes, and livelihoods is overwhelming. For many the situation seems grim at best and hopeless at worst.

First Loves Bob Clinton was arriving back in Kathmandu from one of our childrens homes just as the quake hit. Because of his presence in the country, First Love was able to begin providing immediate assistance to many in need of food, water, clothing, and shelter. The people are responding with joyful gratitude.

Many, including yourselves, have answered the SOS for help. Because of your generosity, we have been able to meet the needs of many immediately. Our longer range desire and plan is to choose a village and rebuild homes for those who have lost theirs. More importantly, we desire to help them rebuild their lives on a foundation that can never be shaken, the Lord Jesus Christ.

Thanks you SO very much for your help in this time of great need.

Sincerely,

Please return this portion with your next contribution
